YUGOSLAV TROOPS CONCENTRATE UPON MAIN BATTLE LINE

Report German Forces Have
Reached Sava River
In The North

ADVANCE IS CHECKED

Attacked Country Proclaims
Faith in Eventual
Victory

By Desider Geleji

I. N. S. Staff Correspondent
SOMEWHERE IN YUGOSLAVIA,
Apr. 12.—(INS)—German forces have
reached the Sava River in northern
Yugoslavia and taken Zagreb (Agram),
the Croatian capital, "without resistance,"
a Yugoslavian military commu-
nique reported today.

But authoritative quarters claimed
Yugoslav troops had checked the Ger-
man advance in Central Serbia at
Krusavec after inflicting heavy losses
on the Nazi blitzkrieg forces, and that
several towns seized by the invaders
had been recaptured.

The official military communique
said:

"In the northern sector superior en-
emy forces reached the Sava River via
Daruvár after the occupation of Yugo-
slavia."

"The enemy continued to make progress
near Kragujevac, which also was
occupied. German troops entered
Zagreb without resistance from our
troops."

"There were no events of importance
in Albania."

In a radio broadcast from a secret
station at the as yet undisclosed tem-
porary Yugoslav capital, premier Gen.
Dusan Simovic proclaimed his faith in
eventual victory.

"Our troops already are concentrat-
ing on the main battle lines to check
the enemy's advance," he said.

"Germany's early successes cannot
discourage us. Though the present
situation is difficult, we believe that
justice is with our cause. The bravery
of our army, the help of our powerful
allies and the firm morale of our people
will assure us of victory."

According to the latest available in-
formation, some 170 or more German
tanks were destroyed by Yugoslav
troops in the first phases of the fight-
ing. In addition, a German general
was captured along with numerous
other German prisoners and consid-
erable quantities of war material.

In the Krusavec sector, where the
Struma and Morava rivers join, Yugo-
slavian troops halted the Germans as
they rolled toward Belgrade from Nis.
It was claimed.

Counter-attacking Serbian troops
were said to have recaptured Nis and
several other towns, but later to have
withdrawn to more defensible moun-
tain positions.

A heavy battle was reported south-
west of the Vardar Valley railway city
of Skopje where Yugoslav forces
staged a tremendous effort to halt the
Nazi westward drive toward the Al-
banian border.

Today, it was revealed, Yugoslavia's
air force is in dire need of replace-
ments in machines, particularly fight-
ing planes, as a result of losses result-
ing from German bombing attacks on
airports.

While some Yugoslav took up de-
fensive mountain positions, it was
stated, other surged into northern Al-
bania, where capture of the Adriatic
coastal town of Lesh from the Italians
was confirmed.

There are also unconfirmed reports
in British circles that the northern
Albanian seaport of Durazzo has been
captured.

Organize Yardley P. T. A.; Will Join County Group

YARDLEY, Apr. 12.—The organiza-
tion meeting of Yardley Parent-Teach-
er Association was held in the school,
with Mrs. Conrad A. Baldwin, as pres-
ident; Mrs. Catherine Wright, vice pres-
ident; Miss Madlynne Nolan, secre-
tary; and Karl Rembe, treasurer.

The Yardley School under the direc-
tion of Clarence Rumpf favored with
several musical selections.

Mrs. John Flood president of Bucks
County Council of Parents and Teach-
ers, told the merits of belonging to the
state and national branches. The Yard-
ley Association voted to join the coun-
ty group.

Mrs. Catherine Wright and Mrs.
Charles F. Cook were appointed Yard-
ley's representatives to the Bucks
County Council of Parents and Teach-
ers at Richboro.

The supervising principal, Warren
R. Smith, greeted the assembled group.
He gave facts concerning the standing
of the school in the state, qualifications
of the faculty, improvements to school
property, and needs of the school.

The following announcements were
made of future school activities: fash-
ion show by members of home econ-
omics department, April 24th at two p. m.;
music festival and "open house," May
2nd, at eight p. m.; alumni banquet at
Hotel Hildebrecht, Trenton, N. J., May
3rd.

A "movie" was presented "Woods of
the Northwest."

Refreshments were served in the
home economics room by Miss Thelma
Price and the students.

"WORTHY CITIZENSHIP" CONSIDERED BY GRANGE

Mr. and Mrs. J. Comly Stover,
Mrs. Watson D. Lake Give
Tyro Hall Grange Topic

CONFERENCE REPORTS

BUCKINGHAM, Apr. 12.—"Worthy
Citizenship" was the subject presented
by members of Tyro Hall Grange, in
the Grange hall this week. Partic-
ipants in presentation of the subject
were: Mr. and Mrs. J. Comly Stover,
and Mrs. Watson D. Lake.

Believing that it is the duty of every
good citizen of this country to sup-
port the Constitution of the United
States, and to love his country and
obey its laws, the trio presented many
statements which furnished food for
thought.

Continuing, Mrs. Lake said every
loyal citizen should feel it a duty and
privilege to vote, and at the same time
thought should be given to the candi-
dates. The good citizen, it was said,
will make donations to worthwhile
welfare agencies and take an interest
in church and school activities. Mrs.
Lake said also the good citizen should
be a good neighbor, respect the rights
of others and give aid whenever it is
needed.

Approximately 55 persons attended
the meeting, which was in charge of
the master, Harvey Crouthamel, Jr.

Reports of the Grange regional con-
ference held recently at Cedarville
were given by Mr. and Mrs. Frank L.
Magill, Mrs. George C. Hansell and
Harvey Crouthamel, Jr.

Saturday, May 3rd, has been set aside
as cleanup day at the Grange. On that
occasion the members will clean the
Grange hall and the grounds.

Report was made that the forums
which have been sponsored by the
Grange will be continued, and that the
next will be held at the home of Mr.
and Mrs. George C. Hansell on Mon-
day evening, April 21st.

Mrs. Watson Rockefeller, of the
home economics committee, suggested
that when the members plant flower

British and Greeks Are Dropping Back

Berlin, Apr. 12.—Abandoning more
than a third of Greece, British and
Greek forces apparently are dropping
back from the Olympic region and
forming a new front on an east-west
line running from the southern Al-
banian front to Larissa near the
Aegean Sea, German authorities said
today.

The whole Nazi campaign in Yugo-
slavia and Greece is developing into
a "re-enactment of the fasces of
France," the Germans said, although a
week-end lull is possible.

German afternoon newspapers today
played up the report that British trans-
ports in the harbor of Athens have
steam up ready to evacuate the BEF.
The war situation on Holy Saturday
was pictured by the Germans as fol-
lows:

1. Fighting in Yugoslavia already is
narrowing down to a guerrilla struggle.
2. German armies having formed a
junction with the Italian forces in the
Lake Ochrida section now are con-
verging on the Greek and British lines.
3. Over the week-end, the Germans
may pause. 4. Collapse of Greece will
confront the British with choice of a
"second Dunkerque—or early evacua-
tion. 5. The Greeks are expected
shortly to abandon Albania and retreat
to the main battleground.

Another Death As Result of Explosion

Easton, Pa., Apr. 12.—The toll of an
explosion at the Hercules Powder
Company in nearby Belvidere, N. J.,
rose to two today with the death in
Easton Hospital of Richard Stenlake,
29, former president of the East-Ban-
gor borough council. Stenlake was
foreman of the cotton dehydrator
house which was wrecked in the blast.
Three other workers were injured
critically.

Man Killed

Philadelphia, Apr. 12.—Hurled from
an automobile beneath an overturned
ten-ton trailer truck, an unidentified
man was killed today in a collision at
a Northwest Philadelphia intersection.

REV. SOLLA TO ADDRESS SOLDIERS ON EASTER

Pastor of Italian Presbyterian
Church of Our Saviour To
Speak at Ft. Custer, Mich.

IS A SPECIAL SERVICE

FORT CUSTER, Mich., Apr. 11.—
Chaplain Andrew G. Solla, of the Re-
cruit Reception Center of the 11th In-
fantry, who previous to his entering
the service was pastor of the Presby-
terian Church of Our Saviour, will be
the speaker at an Easter sunrise ser-
vice to be held at Fort Custer, Michigan.

Fort Custer will observe Easter with
a sunrise service at six o'clock on the
main parade ground in front of head-
quarters on Harmona Road, with 5,000
soldiers assembled in the form of a
cross to hear a 5th Division chorus,
the massed bands of the 2nd, 10th and 11th
Infantry Regiments, and a sermon.

After music by the massed bands
under the direction of Warrant Officer
Joseph Smolka of the 11th Infantry,
Chaplain Andrew G. Solla, of the Re-
cruit Reception Center, will give the
message. Chaplain John F. Daniels of
the 11th Infantry will offer prayer, and
Chaplain Ralph W. Rogers, 5th Divi-
sion chaplain, will deliver the Easter
sermon.

The 5th Division chorus of 35 voices,
under the direction of Earle L. Kretzer,
of Battle Creek, will sing.
The photographic section of the
168th Observation Squadron from Chi-
cago will take aerial photographs of
the assemblage.

The altar will be mounted on a mo-
bile platform and will be moved ac-
cording to the direction of the wind to
facilitate amplifying of the service
over a public address system.

Major Percival A. Wakeman, 5th Di-
vision signal officer, is in charge of
arrangements for the amplification
system.
Nearly 200 persons gathered in the
Bijon Theatre to recall the suffering
of Jesus Christ on the cruel cross of
Calvary, in the first in a series of com-
munity Holy Week services.
Those present were urged not only
to have faith in "the Son of the living
God" but also to manifest that faith
in a way so that others will know
about it.

Chaplain Andrew G. Solla delivered
the sermon for the service, speaking
on the topic, "The Place of Faith in
Modern Life." The Rev. Edward M.
Holston, president of the Battle Creek
Ministerial Association, presided, and
a prayer was offered by the Rev. Philip
R. Glatfely, Jr.

Here and There in Bucks County Towns

A Bucks-Montgomery County group
of young people, known as the Bucks-
Montgomery Group of Young Baptists,
will conduct a monthly rally this eve-
ning in Hilltown Baptist Church.

The speaker of the evening will be
the Rev. Brown Davies Clifford, of
Philadelphia, a young enthusiastic
evangelist. David Trauger, of Hill-
town, will play several numbers on the
trombone, and the Y. P. F. B. Women's
Quartet will sing.

Stanley Quinn, popular young
sportsman and businessman, of Pine-
ville, has been appointed the identifica-
tion officer for the Bucks County Police
Association, and will be in charge of
the fingerprinting in the Bucks County
Crime Laboratory at Doylestown.

MORRISVILLE COUNCIL GIVES ULTIMATUM

Union Fire Company Must
Comply At Once With
Recent Order

TO INSTALL GOVERNORS

MORRISVILLE, Apr. 12.—The Union
Fire Co. must obey the instructions of
Borough Council and put governors on
the fire apparatus or all finances will
be withheld, it was decided by Coun-
cil which met Tuesday night. The
equipment must be inspected and ap-
proved by Borough Engineer Harry H.
Lee, Jr.

Answering Common Council, Union
reported by letter that action had been
taken to place governors on two of its
engines and that the new apparatus
would soon have one. The Fire Pro-
tection Committee reported that the
installation which the fire company had
affected was makeshift and unortho-
dox.

The United Sand and Gravel Com-
pany is to be notified to recondition
the Lower Post Road, from South Penn-
sylvania avenue to the borough line,
with a hard surface treatment, under
supervision of Borough Engineer Lee.
The street is reported to be a continued
source of complaint because of the
heavy trucks which mostly use it and
unless the sand company complies
with the borough's order truck traffic
will be prohibited there.

The purchase of \$5,000 property dam-
age and \$25,000 to \$50,000 public li-
ability insurance to cover the five pieces
of fire apparatus in the borough from
the American Automobile and Insur-
ance Company was approved. It is the
first time that such actipia has been
taken.

Predict Warmest Easter In The Last Five Years

PHILADELPHIA, Apr. 12.—(INS)—
What's the weather going to be for
tomorrow's Easter parade?

Well, in Eastern Pennsylvania at
least, it will be the warmest Easter
in five years, the weather bureau pre-
dicted today. Generally it will be fair,
with a few clouds—but no rain.

That forecast was made also for
New Jersey seashore points where
hundreds of thousands will flock today
and tomorrow for boardwalk prome-
nading. With bus, train and auto
movements toward the shore already
under way, transportation officials
looked for record-breaking Easter traf-
fic over the week-end.

he had intensive training in the tak-
ing and classifying of fingerprints.

The vacancy as identification officer
on the crime laboratory staff was
caused by the entrance of William
Carlin, of Chalfont, as a trainee in the
United States Army.

Mr. Carlin took fingerprints and
classified them of all the men and wo-
men who were admitted to the county
prison without any charge for his
services. The crime laboratory is
housed within the Bucks County
Prison.

Mr. Carlin, who graduated from the
Bucks County Police Academy, served
in the capacity of identification officer
for two years.

During his time, he and Earl D. Blair
also took the fingerprints of scores of
Bucks county civilians, many of
whom are members of women's clubs
and other civic organizations, and
forwarded them to the civilian identi-
fication bureau in Washington D. C.

Chief Harry B. Welsh, of Quaker-
town, will call a meeting of the Bucks
County Police Association within a
few weeks in order to plan a program,
since his brother, James B. Welsh, for-
mer head of the group, has resigned
and is now employed by the United
States Secret Service Department in
Washington, D. C.

Organized in 1902, the Citizens Band
of Quakertown will celebrate its 39th
anniversary on Sunday, April 20th, by
rendering its annual concert in the
high school auditorium at 2:30 o'clock.

The concert will be under the direc-
tion of Worman Shelly, with Albertus
Meyers, of Allentown, as guest con-
ductor.

Miss Elizabeth Garetson, of Allentown,
soprano, who sang with the
famous Conway Band, and who is now
with the Allentown Band, will be the
vocalist.

Ralph Hillegass, cornetist, will be
the instrumental soloist.

PREPARE FOR ERECTION OF R. & H. CLUB HOUSE

New and Larger Social
Quarters To Be Built at
Maple Beach

DEMOLISHING OLD BLDG.

Preparatory to building a new club
house at Maple Beach, the Rohm &
Haas Company officials are having
furnishings moved from the present
club house, where work of demolition
has begun.

No details are available on the new
structure, officials state, inasmuch as
definite plans have not yet been de-
cided upon.
"It will be a much larger club house
than the present one," they stated,
however; adding that there will be
facilities for a basketball court, game
rooms, living quarters for the care-
taker, etc.

The new building will be erected on
the site of the present club house, near
the approach to Burlington-Bristol
bridge. The present building will be
completely demolished by the end of
April, it is said.

As soon as details of type and size
of building are settled, and contract
awarded, work of erection of the new
social quarters for use of company
employees will start.

Funeral of Race Street Resident To Be Monday

Mrs. Alice Worthington, wife of Tim-
othy Worthington, died yesterday at
her home, 629 Race street.

The funeral is planned for Monday,
with relatives and friends being in-
vited to attend. The hour is two p. m.
at the funeral home of the W. I. Mur-
phy Estate, 316 Jefferson avenue.
Burial will take place in St. Mark's
Cemetery, and friends may call Sunday
evening.

FIXED SALARY

SAN ANTONIO, Tex.—(INS)—City
Purchasing Agent C. V. Nunn knows
his no use asking for a raise. On the
other hand, he knows the city isn't
likely to cut his pay. The reason is
that it would cost the municipality
about \$11,000 just to change Nunn's
salary a cent either way. That's be-
cause his salary of \$200 monthly is
stipulated in the city charter, and an
election would be necessary to change
the figure.

ACT TO PROTECT HEALTH OF THE SCHOOL CHILDREN

Two Tele-Binocular Machines
and One Audiometer to
Be Purchased

FOR USE IN THE COUNTY

DOYLESTOWN, Apr. 12.—Bucks
County will be the first county in the
state to be equipped with two tele-
binocular machines and one audiom-
eter. These machines are to be pur-
chased to test the sight and hearing of
pupils starting school and to be used
at various other times during the
school year.

The purchase of the machines was
authorized at the annual meeting of
the Bucks County School Directors'
Association which was in session here.
The purchase was made at the sugges-
tion of Dr. Raymond Tice, well known
Quakertown physician and a member
of the County School Board.

The expense of the three machines
amounts to \$211.92 and this has been
divided among the school districts of
the county, with each district assessed
a small amount. Bucks County will be
the first county in the State to adopt
this "better health program" for eyes
and hearing.

The idea was approved by the county
meeting and the necessary steps will
be taken to purchase the equipment in
the near future. The money to be paid
by the various districts has been ap-
portioned according to enrollment as
follows:

Bedminster, 251 pupils, \$3.77;
Bridgeton, 121 pupils, \$1.82; Bristol
township, 942 pupils, \$14.13; Bucking-

EASTER'S MIRACLE

Easter is a festival that confirms the faith of men in a better tomorrow, a goal and guerdon beyond the pains and labors of the present. But there can be no faith without hope, and hope, therefore, is the greatest of Easter gifts to the world of men.

In this part of the world Easter comes in the hopeful season, when weary winter is beginning to yield to the rebirth of spring. Even now the signs of spring are few, yet there is no doubt that the gray landscape will soon be transformed with living green. Why should men doubt, then, that the clouds of hate and fear which shadow the world will some day pass away?

But long ago, when the first Easter message was given, there were men of little faith and courage, as there are now. It was common belief then that the life of men had no meaning beyond the grave. Many times is mentioned in Scripture this disbelief in resurrection. Literally there was a great darkness over the land, a darkness of cynicism and skepticism. Nor is it greatly different today.

It needed a miracle to teach men otherwise. It has always needed a miracle, even in times when the human race was young. And since those ancient times, far beyond the reach of recorded history, one miracle has not changed. The festival of flowers that welcomes Easter morning is old as the world, far older than the doubting and disputing race of men. And when men first looked about them with understanding eyes the miracle of resurrection was a familiar fact, renewed with every cycle of the sun.

Yet more than nineteen centuries ago there were those who doubted beside an empty sepulchre and were told, "He is not here; He is risen, as He said."

The event commemorated by all Christian peoples on Easter morning gave eternal denial to these doubts. It denied, too, all the arrogance of earthly power. It speaks still to men who need the help of hope and faith. It calls upon the saving remnant of simplicity and humility which dwells in every human heart. And many today, hearing its message amid the troubled confusion of this modern world, confess their faith and pray, "Help Thou my unbelief."

Never have men needed more the help of faith and hope than now. Civilization seems tottering to its fall. The lust of power strives to rule the world. The Four Horsemen ride again, laying waste the earth with fire and the sword, with famine, pestilence and death. Yet the scene is no darker than it was in ancient Palestine, long centuries ago, when the message of Easter morning was first given. Then, too, empires were crumbling and new nations struggling to birth. Then, too, the cruel hand of power ruled the world. Then, too, human life was counted of small consequence and human happiness was hardly won.

Today's strange world, richer in many ways than then, is still poor enough in peace and hope and happiness. The real needs of men have not much changed since then and the great uncertainties are still the same. So on Easter morning men of today may share the rejoicing of those who had learned, long ago, the depths of despair, but found new hope and faith and courage in the miracle of resurrection.

IT COSTS 18c TO FEED EACH HEN PER MONTH, GEORGIA FIGURES SHOW

Only Laying Hens are Able to Pay Their Share of the Feed Bill.

Poultry raisers who have never figured their costs will be amazed at the "Progress Report for July of the 14th Georgia National Egg Laying Test"

which shows that it costs approximately 18c to feed a hen during a single month.

Because of this comparatively high cost of keeping a hen, it is extremely important to get as many eggs as possible during the months of September, October, November and December when egg prices are at their peak, reminds C. S. Johnson, head of the poultry department, Purina Mills.

Unless special attention is given the flock during the fall and early winter months, not enough eggs will be produced to pay expenses, let alone a profit, he says. Left to herself, a hen won't start to lay until she gets the "spring urge." Often that isn't until February and March, when eggs are plentiful and prices drop.

"It's pretty expensive putting 18c worth of feed into a hen each month during the fall and winter just to have her around for a few eggs in the spring and summer," Johnson maintains. "It's the hens that lay in the fall and winter that make the largest profits. When a hen isn't laying eggs, she isn't paying for her keep, let alone making a profit."

Editor's note: How to get winter eggs is explained in Purina Mills' latest poultry bulletin, obtainable without charge from our local Checkerboard Feed Dealer.

GRAND THEATRE

Portraying the roles of daredevil newsreel cameramen, Richard Arlen and Andy Devine come to the Grand Theatre today in their newest co-starring film, "Lucky Devils."

Described as a rollicking comedy drama, the Universal production involves Dick and Andy in a series of both perilous and humorous adventures. A wild, hilarious climax in which the two stars overpower foreign saboteurs with the aid of model airplanes is said to highlight the film.

Movie-goers have seen Jane Withers in all kinds of interesting settings in the two dozen films she's made since becoming a star. But in "Golden Hoofs," her 26th film for 20th Century-Fox, Jane sings and dances and gets her first grownup heartache against a new and more interesting background than ever before. This time the colorful and exciting sport of light harness racing serves as the background and "Golden Hoofs" has been hailed as her best film to date.

BRISTOL THEATRE

Gene Autry, Republic's phenomenal cowboy crooner who is starred in "Melody Ranch," now at the Bristol Theatre, was discovered by the late Will Rogers. "Go East, young man," Will told Gene. Gene took his advice and became one of the most popular artists on the ether waves through his appearance on the WLS Barn Dance program in Chicago. Fame and fortune—and Hollywood—followed soon after.

Another attractive today is "Give Us Wings." "Doomed Caravan" and "Life with Henry" will be shown on Sunday.

RITZ THEATRE

With the exception of the two principal characters, Phoebe Titus and Peter Muncie, all the featured roles in "Arizona," which opens at the Ritz Theatre, are portrayals of actual pioneers notable in southwest history 80 years ago.

Jean Arthur is starred as Phoebe Titus and William Holden featured as Muncie. Wesley Ruggles produced and directed the historical romance.

GOOD DESIGN VERY ESSENTIAL FOR THE MORE MATURE FIGURE

lines, smooth clean cut lines which flatter the figure.

Simplicity is the keynote of good design for the mature figure. There should be no choppy, fussy divisions of blouse or skirt.

Soft detail at the neck and shoulders play up the center of interest, which is the face. Moderate fullness, in the form of tiny tucks or shirring, add interest without adding bulk. Lingerie touches, such as narrow pleating, bias folds, or washable collar and cuffs, also increase interest.

Soft colors near the face enhance the complexion. Select cream, soft blue, rose, beige, or a transparent white for your sheer blouses, yokes or collars on dark dresses.

Favorite costumes for the mature woman are the ensemble and the shirt-waist dress. The ensemble may be of the redingote type with separate dress and long coat, or dress and short jacket style.

The shirtwaist dress takes on a new softness this spring. The square straight shoulders and severely tailored look are giving way to more sloping

shoulders and softer lines. The new shoulder pads are less thick and they extend up on the shoulder and less out into the sleeve.

Prints are popular and there is a variety of ways to handle them. We should be careful in selecting prints, however, for they must flatter the figure and person instead of speak too loudly on their own account. One of the colors in the print usually suggests accessories or accompanying coat.

SHUMARD WINS IN INDIVIDUAL BOWLING MEET

Noses Out Joe Amisson in The Individual Bowling Championship

81-GAME AVERAGE, 185.3

Burlington Man Knocked Down A Total of 15,007 Pins

In a hairline finish, George Shumard of the Burlington Bowling team, nosed out Joe Amisson, also of the Jersey team, to capture the individual bowling championship of the Bristol Major League. Shumard's average for 81 games was 185.3 or .9 better than Amisson.

The Burlington bowler knocked over a total of 15,007 pins which was 72 more than Amisson. Trailing close behind in a deadlock for third place were Art Hirsch, Rohm and Haas, and "Chick" O'Boyle, Bristol B. C. who had averages of 182.

Although he finished 17th on the list, Sid Purcell, Bell's All-Stars, had a total pin score of 14,727. However, his average per game was 175.3.

Schumard also won the individual high three games with a 661 score which was two points better than O'Boyle. Amisson was next in line with 653 while Felix Tomlinson, manager of the Jefferson team, finished fourth with 652. For the single game high, Andy Moore won this honor with a score of 256.

The Bell All-Stars, winners of the first half, had the highest three games score for teams with a total pin score of 2,897 while the high single went to Burlington with a score of 1019.

To be eligible for a league prize, bowlers must participate in at least 56 games.

VOLTZ BOWLERS WIN IN FEDERAL LEAGUE

Last night the Voltz Texaco bowling team defeated the El Bart Gin for the championship of the Federal League by taking four of the five games.

George Pollok, the dark horse of the Voltz team had a grand night by slamming the maple for a grand total of 707. George Light also hit the maple for a total of 719. For the loser Margiotti was high man with 664.

The Voltz team won the first game by 40 pins but was defeated the second game by 3 pins. Then the boys from down town stepped on the gas taking the third and fourth game and also total.

Decisive Struggle On For Control of Greece

Athens, Apr. 12—Nazi legions clashed with combined Greek and British forces beyond the northern stronghold of Florina today in the opening stage of a decisive struggle for control of ancient Greece.

(A fierce battle is raging between allied and German troops south of the Monastir Gap in the Florina area of northwestern Greece the British radio reported.)

Incidentally the RAF continued its attacks on German and Italian positions, heaping up the invaders' death toll. British planes staged low-level attacks on transports and tank columns between Monastir and Prilep, while others blew up an important bridge in the Kolykstron area.

Numerous German trucks were abandoned or turned over in ditches and set afire, the British said. Five enemy tanks were destroyed. The RAF admitted that two of their own planes were missing.

As the battle gained momentum the Government gave the Greek people an assurance of victory in a conflict of "morale and liberty against black materialism."

The fighting just north of Florina—heralding the decisive stage of the Balkan conflict—began after German forces broke through the Monastir Gap into Greece and then charged again Florina itself.

Facts For Fish Lovers

By BETTY BARCLAY

This country may not be the "fishermen's Paradise" that Finland is with 60,000 lakes and 80,000 islands but there are few districts where fresh fish are not available—and excellent canned seafood is always in season. The many varieties of fish and shellfish make planning Lenten menus a pleasure. In fact Lent offers the homemaker a good opportunity to get better acquainted with this nutritious food which contributes valuable proteins and minerals to the diet.

Fish and lemons are associated on dining tables the world around. Lemon juice is rubbed over fish to be baked or fried; fresh fish is marinated in lemon juice and oil before it is baked or broiled.

To keep fish white when boiling, add 1 tablespoon lemon juice and ½ teaspoon salt to one quart of water used for cooking.

When using canned fish such as salmon or tuna in a creamed or scalloped dish, sprinkle fish with lemon juice before adding the white sauce.

If fish is served as an appetizer course, lemon is indispensable. An excellent cocktail sauce for shellfish—oysters, clams or shrimp—is made with 1 tablespoon horseradish, ½ cup tomato catsup, 6 tablespoons fresh lemon juice, a dash of tabasco sauce and salt to taste. Blend ingredients well and serve very cold.

For a canape spread, cream 2 tablespoons fresh lemon juice with

½ pound sweet butter. This is an excellent spread for crisp crackers or fresh or toasted bread to be topped with anchovies, caviar, sardines or spreads made with tuna, salmon or any desired fish.

For lemon garnishes with fish, be sure to serve juice quarters so that the individual can add lemon to his taste.

Here is an excellent method of preparing a salmon mold, good for Lent and equally good at any season.

- Salmon Mold
- 1 No. 2 can salmon
 - 1 tablespoon butter
 - ½ tablespoon cornstarch
 - 1 teaspoon dry mustard
 - 2 egg yolks
 - ¾ cup milk
 - ¾ cup lemon juice
 - ¾ tablespoon gelatin
 - 2 tablespoons cold water
 - Salt to taste
 - ¾ cup whipping cream
 - ¾ cup diced cucumber

Cook butter, cornstarch, mustard, egg yolks and milk in double boiler to soft custard consistency. Add gelatin liquefied in cold water. Add lemon juice and salmon. Season to taste. (Rub salmon through coarse sieve if a fine texture is desired.) Cool. Fold in whipped cream and cucumbers. Pour into one large mold or a number of small molds. Serves 6.

Serve garnished with lemon quarters, lemon slices and radish roses.

PERKASIE MAY JUMP FACTORY'S ELECTRIC RATE

Increase Will Take Place If Proposed Ordinance Is Passed

GIVEN FIRST READING

PERKASIE, Apr. 12—Should a proposed ordinance be passed by Perkasio borough council, the electric rate of the Perkasio Silk Mills will be stepped up.

The ordinance was given its first reading this week, it being introduced without any opposition.

The Perkasio Silk Mills, it is stated, consumes about one-third of the output of the municipally owned electric light plant. When the firm abandoned its home generating plant in 1935, Council granted the firm a flat one cent rate per kilowatt. Since that time some objections have been raised because the firm was not billed on the usual graduating scale. If the ordinance is adopted, the firm will first have to consume 40,000 kilowatts per month before it will be able to get the one cent rate.

Since the disruption of the municipally owned electric light plant Council has been purchasing some of its current from the Pennsylvania Power & Light Company at 1.4 cent per kilowatt. As a result, the borough was losing four mills for every kilowatt consumed by the Perkasio Silk Mills. It was as a result of this that Council decided to introduce the ordinance.

The borough's bill for current purchased from the Pennsylvania Power & Light Company at 1.4 cents per kilowatt, but at the same time the Perkasio Silk Mills was paying the borough only one cent per month amounted to \$1698.85. Gross expenses of the electric light department amounted to \$8490.35, and the net receipts were \$7826.27. This showed that the department had been operating at a loss of \$668.48, but a large item of expense was the construction of the borough's line to connect with the high tension line of the Pennsylvania Power & Light Company.
